High standard apartment accommodation in Jämijärvi in the southwestern part of Finland, 70 km from the city of Tampere. Kilpola has an excellent location only 200 m from the lake Jämijärvi and 2,5 km from the Jämi Snow World. The Jämi Snow World offers a unique year-round possibility for cross-country skiing. The cosy log cabin comprises of three separate apartments. There is a possibility to rent all three or single apartments only. Each apartment has a combined living room and kitchen, bedroom, bathroom with shower, WC and sauna. All are equipped with electric heating. Orvokki also has a beautiful soapstone fireplace. In addition, Kilpola offers a rowing boat and lifejackets for five, additional storage space, outdoor log shelter and a fireplace, swing and sandpit for children.
